

Scrip Information

What is Scrip?

Scrip is a nationwide fund-raising opportunity for non-profit groups like Sacred Heart Parish to receive a percentage of sales from purchases made with gift certificates or gift cards from a variety of department stores, grocery stores, restaurants, fast-food places and gas stations.

How does it work?

It's simple! You buy a gift certificate or gift card for a grocery store, gas station, department store or restaurant where you would normally spend your money. Then you use that gift certificate or card instead of cash or a check to pay for your groceries, fill up your gas tank, stock up on household needs or enjoy a meal out.

How does the Parish make a profit?

Each retailer sells the gift certificates and gift cards to participating groups at a discount ranging from 2% - 20%. Groups like Sacred Heart then sell the certificates at face value and keep the difference as profit. When you purchase Scrip gift cards there is **no extra cost to you**. This is money you would normally spend anyway.

Can you give an example?

If you normally spend \$50 each week on groceries, you would stop in the parish office or at the Scrip table at Mass this weekend and buy \$50 worth of gift cards to **Roundy's** (Pick N Save and Cops), **Woodmans**, **Piggly Wiggly** or **Festival Foods**. You can also buy Scrip from stock to fill up your gas tank at **Kwik Trip** or **MotoMart**. Scrip can also be ordered for many additional retailers.

Which retailers participate in Scrip?

Check the Scrip order form to see which retailers participate in Scrip. The ones that are kept in stock (as seen under [Scrip Retailers on Hand](#)) are available to purchase after Mass on weekends or in the parish office during the week. All other Scrip can be ordered (see [Scrip Order Form](#)). Simply drop off your prepaid order in the parish office by 11 a.m. on Mondays or at the weekend Masses, and pick it up the same week on Thursday afternoon or Friday morning in the office or at the weekend Masses.

How else do people use Scrip?

Many people buy a \$25 **Shopko** or **Walmart** gift card and use it when making purchases at those stores. The register scans your card and deducts the amount of your purchase. The card is then returned to you with the balance noted for future use. Others use Scrip gift cards to pay off balances on the **Kohls** Department store charge cards. Charge your purchases when shopping at **Kohls** and when you receive your bill simply buy or order Scrip in the amount you would like to pay on your account. Be sure to pay your bill in person – don't send Scrip through the mail! Another idea is to buy Scrip for restaurants or fast food places. We have gift cards in stock for **Olive Garden**, **Mary's**, **Applebees** and **Buffalo Wild Wings** as well as **McDonalds**, **Subway**, **Starbucks**, **Culvers**, **Little Caesars** and **Pizza King**. Buy a gift card for yourself and treat yourself to dinner or keep them on hand for a quick meal on a busy day. They also make great gifts, and you don't have to run all over town to pick them up. You can do one-stop shopping at the Scrip table after Mass on the weekend or in the parish office during the week. **Bath and Body Works**, **Barnes and Noble** and **Fleet Farm** also make great gifts.

Make Scrip work for you and for Sacred Heart Parish!!!

Please buy Scrip today!

If you have any questions about this program, stop at the Scrip table after Mass, ask in the parish office, or call Sue Erickson @ 750-1054 or Sue Siebers @ 850-2586.
